DULLES SOUTH NEIGHBORHOOD CLOSET

## We Are Celebrating!

On March 8th Dulles Closet celebrated our first year in operation. We appreciate these kind words from a guest. *"Happy Birthday! Thank you for the hard work, the time and patience to help our community in such a wonderful way. May the Lord bless you."*

We are also celebrating the \$1600 we raised during our Give Choose Campaign! Thank you to everyone who donated to help keep Dulles Closet moving forward.

# Community Emergency Closet

## The Emergency Closet

Housed in a 10 x 10-foot storage unit, the Emergency Closet serves families with urgent needs between our free clothing events. It has served foster children, recent immigrants, families experiencing homelessness, victims of home fires, and others in immediate need of clothing. Since opening last year, there have been 48 visits.

## Current Needs:

- New socks for girls, women, infants, and toddlers.
- New underwear for girls, boys, toddlers, and for women in sizes extra small, small, and medium.
- Volunteers to help restock the Emergency Closet. Contact [info@dullescloset.org](mailto:info@dullescloset.org) to help.

## A Dulles Closet Success Story!

Earlier this spring, a high school student turned to a Dulles South parent liaison with a problem. She needed employment to help her family, but her new job had a dress code. The Emergency Closet was able to provide five outfits in her size — one for every day of the week. We are grateful to the volunteers and donors who help make moments like this happen.

## Our Vision:

Every family in the Dulles South Community has adequate clothing.

## Our Mission:

Helping local families obtain adequate clothing through free community-wide clothing exchanges, an Emergency Closet, and other needed assistance.
