# Spring Clothing Event Wrap Up

We are grateful to Lightridge High School for hosting our May 1st event. The administration, staff, and especially the students were phenomenal. Nearly 7000 lbs. of clothing was donated by our community and 110 local families were able to pick out clothing. Nearly all our participants came by referral from the Dulles South Food Pantry or a school parent liaison. Thank you to everyone who volunteered or donated clothing to make the event so successful!
